URGENT NEWS:
20,000 LIVES
FOREVER CHANGED!!

Dear Precious Friends and Ministry Partners,

In Acts 2:17 God said, "In the last days, I will pour out my Spirit on all people. . . ." We witnessed God's miraculous outpouring as tens of thousands prayed to receive Jesus Christ as Savior in Vietnam, China, Singapore and Malaysia. **You partnered with us, in prayer and financial support, as our family shared in history-making musical concerts about Jesus** in the heart of the communist-controlled cities of Saigon and Hanoi, Vietnam. No American group had spoken or sung in a public venue in Saigon for 35 years or, in Hanoi, for 75 years! Government officials relented and allowed the largest gathering of Christians in the nation's history. The people responded with thunderous applause as our American Christian family sang in Vietnamese and shared the Gospel with crowds of 40,000+! *These* are the days of revival, spiritual harvest and opportunity for which we have prayed. Reports from the major evangelical organizations in Vietnam have stated that more than 20,000 are being discipled following their decisions for Christ in December. This is only the beginning. . .and **we need your help, now, more than ever before!**

Our family was dramatically changed and deeply humbled by what we experienced in Vietnam. One Christian leader told us that "the blood of his martyred grandparents (who were Pastors) had watered the soil for this great revival." Another Pastor told us of his conversion to Christ after his brutal career in the Vietnamese army in addition to his addiction to drugs, alcohol and tobacco. We met scores of Christians who have been imprisoned, beaten, separated from their families, robbed of their property and even **threatened with death if they would not renounce their faith in Jesus Christ.** We were moved to tears in Hanoi when Pastors and Christian leaders told us they were prepared to die *that night* as our large, outdoor meeting had not gotten government permission and was already surrounded by police forces. God must have "sent His angel and shut the lions' mouth" (Dan 6:22), because the Gospel was shared, unhindered! In that meeting, alone, they estimate that more than 4000 came to faith in Jesus Christ. We also watched God's power physically heal a blind woman, a mute young man and a man diagnosed with advanced AIDS! WOW!

We are planning our return trip to Vietnam right now! Rev. 3:8 says, "See, I have placed before you an open door that no one can shut." For reasons known only to God, *our* Christian, musical family has been given this unprecedented open door for ministry in Vietnam. We are writing new music and intensively training in Vietnamese and Chinese languages as we prepare to return to Vietnam and China. **Travel costs and accommodations for this upcoming trip will be \$25,000.** Your generous Easter Resurrection Offering will enable us to bring *new life in Christ* to tens of thousands! Would you be willing to help us? We're praying that God will bless your family as you sacrificially help others!
