

YOUR RESPONSE COULD SAVE THOUSANDS OF LIVES!!

This has been a year our family will never forget! We witnessed tens of thousands coming to faith in Jesus Christ in communist and Islamic nations. We have seen miraculous healings, restored family relationships, and deliverance from addiction and perversion. God has shown His power on every level, and we are humbled to serve Him as “Missionaries to the Family.” We will also remember this as *the year we gave up everything* for ministry. Our house was sold, we gave all the money to the Lord’s work, cut up our credit cards, and devoted time to extensive ministry all across Asia. In Hebrews 10, God says, “My righteous one will live by faith and if he shrinks back I will not be pleased with him!” We are taking bold steps of faith, and *many of you have stood with us in prayer and financial support* as we have seen God’s awakening sweeping across nations that were previously *closed* to the Gospel. A spiritual harvest is coming and **we are so blessed to have you as partners.**

Once again, we are calling on you to fast and pray and make a sacrificial financial investment for this mission because the need is great and the time is NOW.

Pray with us as we go. . . .

Nov. 5-10: China (including a University outreach)

Nov. 11-18: Islamic nation under *sharia law*

Nov. 19-25: Malaysia

Nov. 26- Dec. 2: Indonesia

Dec. 3-20: Vietnam (planning for 100,000+ meeting)

Last December, 20,000 people all across Vietnam accepted Jesus Christ as Savior. All of the decisions are being disciplined in local house churches. This year, we are praying for even greater outpouring of the Holy Spirit. Entire towns in Vietnam are embracing Jesus as miracles are occurring and people hear the Gospel for the first time. *Will you pray with us as we anticipate another history-making gathering of more than 100,000 in Saigon?!* God will be faithful as His people stand in unity, pray, repent and seek His face (II Chron. 7:14). Then we will hear from heaven as spiritual revival floods these nations like a great tsunami! We will also be ministering in three Islamic nations, Brunei, Malaysia and Indonesia, where God has opened new doors through music and a message about strengthening families. *Will you also pray that God will surround us with protection and supernatural provision?!*

The budget for this trip has not been met. Transportation alone is \$25,000. We praise God that some have already given, but **we still need \$12,500 for these mission ventures where thousands could be saved!** Our family gave everything this year and God blessed us in ways we could never have imagined. II Cor. 9:6 says, “the one who sows bountifully will reap bountifully.” Would you be willing to give generously, at this time of Thanksgiving, to see thousands of souls saved? We pray that God will abundantly bless you and your family!
