

## THIS IS AN URGENT APPEAL FOR HELP!!

Dear Precious Friends and Ministry Team Members,

*We are living in days of unprecedented events!* Earthquakes, tsunamis, typhoons, drought, famine, wildfires and floods have become normal occurrences in our world. In the face of these crises and increasing economic hardship, many nations seek answers in a global government or world financial system. At this moment, adversaries in the Middle East are poised on the brink of nuclear war. . . . Jesus said, "When these things begin to take place, straighten up and lift up your heads, because your redemption is drawing near." (Luke 21:28) During these uncertain days, God is *certainly* bringing about the greatest spiritual harvest that has ever occurred! "And this gospel of the kingdom will be preached in the whole world as a testimony to all nations, and then the end will come." (Matt. 24:14)

*Our family has faithfully shared the Gospel through music and preaching for 22 years.* We have seen God's provision and protection as we have traveled hundreds of thousands of miles together. God has miraculously healed- when we faced grim reports by medical doctors. We have endured- as our ministry property experienced fire, floods and lightning strikes. Financial crisis and, even, *gunshots fired at our van* have **NOT** silenced our message or weakened our resolve to be God's "Missionaries to the Family" in this hurting world. It has been a blessing to educate all four of our children at home, watch two graduate from University and to see each of them experience a powerful calling from God on their lives as they minister to others. In recent years, you have partnered with us as we have ministered together across Asia in the Philippines, Singapore and, *three times*, in communist Mainland China (where we have prayed with more than 5,000 decisions for Jesus Christ!).

*Now we have been invited to do Christmas concerts in communist Vietnam in just 2 months!* We are excitedly preparing for this HUGE opportunity but we're waiting on the Lord for His full provision of finances to accomplish this venture. We will be hosted in venues of 2000 to 14,000 seats. All of our songs are being translated and our Christmas concerts will begin with "Silent Night" sung, accapella, *in Vietnamese*. **Travel costs and accommodations for the month will be \$25,000.** God has always used our faithful ministry partners and His people to make every great harvest opportunity possible. Would you help send us to share the first Gospel concert, ever, for communist Vietnam? Your generous Harvest Offering could *reach thousands for Christ* and would greatly encourage *us* as we go. II Cor. 9:6b says, ". . . he who sows bountifully shall also reap bountifully!" **If God has blessed you or touched you in a significant way because of this ministry, we urgently need to hear from you!** We are praying that the Lord will miraculously provide for you, as well.
